## L&T-Sargent & Lundy Completes 20 Glorious Years of Engineering Operations

L&T-Sargent & Lundy Limited completed 20 glorious years of operations on May 5, 2015.

The company started its operations way back in May 1995 as a joint vision of two most respected companies in the world - Larsen & Toubro, India and Sargent & Lundy, USA.

In these 20 years, L&T-S&L has engineered about 21,000 MW of Gas-based projects and about 23,000 MW of Coal based Projects. With a wide range of services including Detail Engineering, Owner's Engineering, Lenders Engineering and Special Services, L&T-S&L has created landmarks in India as well as in countries of Middle East, USA, South East Asia and Far East Asia. L&T-S&L has also ventured into the Renewable and T&D Sector to expand its horizons. In the state-of-the-art engineering complex at L&T Knowledge City, Vadodara and L&T Faridabad Campus, L&T-S&L houses more than 650 power professionals.

The journey would have been incomplete without the support and trust of its esteemed customers, JV partners and highly committed and experienced employees. L&T-S&L expresses its gratitude and appreciation for all the stakeholders associated with it in making this journey successful.
