Commercial Operation of 2x660 MW of Jaypee Nigrie Super Thermal Power Project Achieved

Unit-2 of 2x660 MW of Jaypee Nigrie Super Thermal Power Project at Singrauli in Madhya Pradesh, India achieved COD on February 21, 2015. The Owner of the plant is Jaiprakash Power Ventures Limited (JPVL), India.

JV of L&T-MHPS supplied the Supercritical Boilers and Steam Turbine Generators (STGs). The fuel used in the project is 100% domestic coal, having high ash content.

L&T-Sargent & Lundy (L&T-S&L) carried out Complete Basic and Detail Engineering of Boiler and STG Island and its auxiliaries including critical piping, excluding civil and structural design. The project was executed through package route. L&T-S&L extended full engineering support for plant integration activities and also provided necessary site support.
