L&T-Sargent & Lundy's Project Management Consulting Services improve plant performance and reduce project risks

Technical subject matter experts and sound engineering base enables L&T-Sargent & Lundy (L&T-S&L) to offer Project Management Consultancy (PMC) Services for both under construction and operating Thermal Power Projects on behalf of Government Lending Agencies in India.

The PMC services includes detailed techno-commercial due diligence, construction supervision, project monitoring and providing optimum solutions to developers/plant owners for better Execution and Operations & Maintenance practice aimed at improving overall schedule, quality and plant performance. The services also include technical assistance for achieving statutory compliances.

The dedicated team of on-site power plant professionals closely work with the Project execution team/Plant Operators to understand the day-to-day issues in construction, commissioning, operations, fuel management, O&M regime and financial aspects.

L&T-S&L is presently providing such Project Management Consulting Services to leading Government Lending Agencies including Banks & Financial Institutions for projects located in Jharkhand, Andhra Pradesh, Madhya Pradesh and Tamil Nadu.
