L&T-Sargent & Lundy providing Project Management Consultancy (PMC) Services for Meenakshi Energy Ltd PHASE II (2x350 MW) achieves two major milestones

L&T – Sargent & Lundy Limited (L&T-S&L) was appointed as Project Management Consultant for Meenakshi Energy Ltd (MEL) Phase II by Rural Electrification Corporation (REC) the Lead Lender in September 2016. The project had reached critical phase as there was change of ownership and with prolonged construction and historical challenges. Close monitoring and active involvement

of L&T-S&L PMC team brought project back to normalcy within tight cost and schedule. This turnaround has instilled immense confidence in project stakeholders.

The two major milestone achieved were Unit #3 Turbine Generator put on barring gear on 29th November 2017 and boiler light up on 30th November 2017. L&T-S&L is taking lead role in activities like Vendor Management, Project Scheduling and Streamlining, Resource mobilization, Quality Management and other commissioning related activities. L&T-S&L also acted as a Lender's Engineer during initial construction and O&M phase for technical, commercial and CAPEX monitoring of the project.
