L&T-Sargent & Lundy Limited Wins EEP National Award for Excellence in Export of Engineering Services

L&T-Sargent & Lundy Limited has been honoured with the prestigious 54th EEP National Award – Special Trophy for Excellence in Export of Engineering Services in the Medium Enterprise Category. This award recognizes the company's outstanding export performance and reflects its significant contribution to the global engineering services sector.

The award was presented at a ceremony held in New Delhi on February 18, 2025. Mr. Yogendra Mishra, Chief Executive, and Mr. Amit Kumar Pal, AGM - Business Development, represented L&T-Sargent & Lundy Ltd. at the event. The award was bestowed by Shri Jitin Prasada, Hon'ble Minister of State for Commerce & Industry and Electronics & Information Technology, Government of India.

This is the first "National Award" for "Export of Engineering Services" for L&T-Sargent & Lundy Ltd., underscoring the company's commitment to expanding its global footprint. The recognition highlights the company's continuous innovation and adaptability in a dynamic business environment, as it strives to connect with and serve clients across the world.

"We are truly honoured to receive this prestigious award. It is a testament to the hard work and dedication of our team, and our unwavering commitment to excellence in engineering services and customer satisfaction," said Mr. Yogendra Mishra, Chief Executive, L&T-Sargent & Lundy Ltd. The company continues to lead in the plant engineering and technology sector, ensuring high standards of service and a proactive approach to meeting the evolving demands of its global clientele.
